**GOTHAM SUN DIAL** STARTS FIGHT IN PIKE COUNTY, ARK.

Being "Set" for Manhattan Island, Will It Tell the Right Time in Arkansas?

NO. THUNDERS WALLACH

Yes, Shouts Pete Brown, and Then Sheriff Shoots Up the Pesky Contraption.

The dial is an excellent piece of work, finished in imitation verdigris. The pointer is a right-angled triangle containing an owl rampant. Altoials ever cent to this State. The professor is enthusiastic over it as a work of art, although a heated discussion has arisen as to whether a sun dial bought in New York will tell time ac-

And Those Who Buy in New York

You read. You believed. You came. You bought. You were satisfied.

Plenty of fine Overcoats

More than 8,000, all told

One man started from uptown at 7.30, got caught in the Subway

in Sunburst, Montana, as it would be here."

"Of course it wouldn't," repiled Prof. Wallach scornfully. "Don't you see—the earth being round, the sun's shadow—I mean the sunlight—keeps hitting it in a different way. Now, it might be 7 o'clock in the morning in New Tork and a sun dial properly regulated there would show that hour. But you take that same dial out in Arkansas and it would show a different thing. Don't they have Eastern time in New York, and isn't our time an hour later?"

WHEN A DIAL'S A DIAL AND A COMPASS.

COMPASS IS A COMPASS. "That's all right," yelled Brown but you're talking about clock time

One Point Settled.

In which it is to be used. Also, the distance above sea level and the reliable to position of the imaginary and magnetic North Poles must be considered."

All time is based on the revolving of the serial state of the serial st THAT IS, something is wrong with baby, but we can't tell just what it is. All mothers recognize the term by the lassitude, weakness, loss of appetite, inclination to sleep, heavy breathing, and lack of interest shown by baby. These are the symptoms of sickness. It may be fever, congestion, worms, croup, diphtheria, or scarlatina. Do not lose a minute. Give the child Castoria. It will start the digestive organs into operation, open the pores of the skin, carry off the fostid matter, and drive away the threatened sickness.

Now the BOYS Have Their Turn-

# 4,350 Boys' Wash Suits In the January Sale

Manufacturers welcome the oppor-tunity afforded by this annual Wanamaker sale of Boys' Suits. It is the opportunity which allows them to keep their workrooms going during a dull season. The merchandise in the sale is the equal of our regular year-round stocks. Every suit was newly pur-

The styles are those that are most popular with the boys and in a large variety—Oliver Twist, vestee, Russian, Balkan middy, Norfolk, sailor, etc. The materials cover an equally comprehensive range—linen, galatea, ratine, madras, rep, English twill, silk and linen mixtures, chambray, percale, cheviot, khaki and linen. The majority of the materials in the suits at \$2.25 are imported.
